GOVERNOR DUMMER CELEBRATES ITS 180th COMMENCEMENT TODAY

52 SENIORS RECEIVE DIPLOMAS

DR. J. SEELYE BIXLER GIVES
ADDRESS TO CLASS OF 1943

*Benjamin B. Brewster Awarded Morse Flag
Master's Cup to Henry W. Kelly*

Governor Dummer's 180th annual Commencement exercises were concluded this morning with the graduation exercises at which Dr. J. Seelye Bixler, president of Colby College, delivered the address to the senior class. President James Duncan Phillips of the board of trustees presented diplomas to 51 members of the 1943 class and one postgraduate student.

Headmaster Edward W. Eames made the prize awards. The Master's Prize was won by Henry W. Kelly of Laconia, N. H., President of the Senior Class.

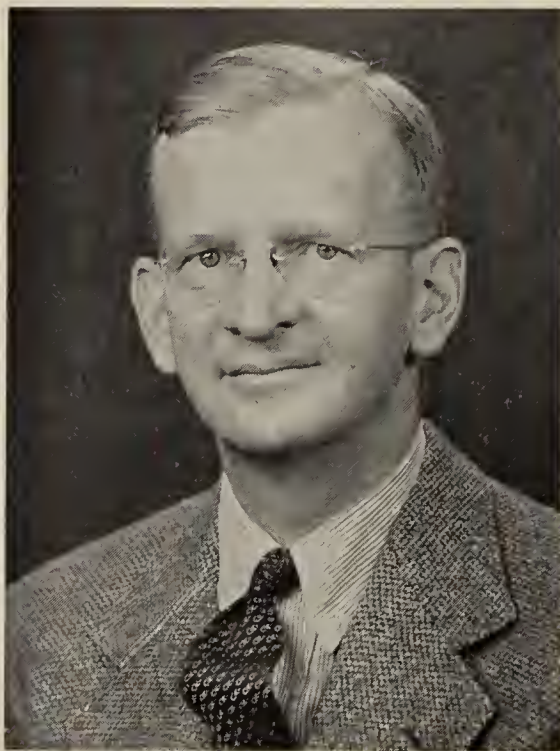

Commencement festivities began on Tuesday evening with the Senior Sing, which was followed by a reception in the New Building.

On Wednesday the Morse Flag ceremony was held and this highest award of the school year was presented to Benjamin B. Brewster, and prayers were offered for our graduates in the armed forces at a special ceremony.

The annual Glee Club concert was held in the Lang Gymnasium under the direction of Mr. Arthur W. Sager of the faculty. Mrs. Rupert Neily of Portland, Maine, presented several piano selections.

Following a buffet luncheon, the baseball team ended its season with the annual Deerfield Academy game. Tea was served on the Mansion House lawn following the game.

At the annual Commencement Dinner Dr. Claude Moore Fuess, Headmaster of Phillips Academy, Andover, and a member of the Academy's board of trustees, acted as toastmaster. He introduced the Rev. James T. Cleland of Amherst College.

Speaker at Graduation Exercises

MAJOR STORER HUMPHREYS, '22, TELLS OF HIS EXPERIENCES

Major Storer P. Humphreys of Newbury, a graduate of the Academy in the class of 1922, spoke to the school at the evening meeting on April 30. Major Humphreys spoke of his experiences in Europe since he went to England in the early part of 1940.

Approaching England just at the height of the Dunkirk evacuation operations, Major Humphreys' ship was diverted to the French coast to assist in the removal of troops.

Major Humphreys described his experiences on Commando raids and also his work in London where he is specializing in surgical work in connection with head injuries.

Major Humphreys received the Alumni Prize in 1941, awarded to an outstanding alumnus each year.

ATHLETIC PRIZES AWARDED AT EVENING MEETING

At evening meeting on Saturday the Dalton Hamor baseball prize, for outstanding value on the baseball team was presented to D. Edward Breckenridge, Jr. and the Track Prize to William B. Ross of Baton Rouge, Louisiana. This prize is given annually by Mr. Charles I. Somerby of Haverhill.

The Bausch and Lomb medal for excellence in the study of science was awarded to Philip N. Sawyer of Cambridge.

HENRY W. KELLY

Son of Mr. and Mrs. Harry J. Kelly of Laconia, New Hampshire, President of the Senior Class, and winner of the Master's Prize, given "to that senior who by his unselfishness and sportsmanship has best exemplified the spirit of the school."

SENIOR CLASS HOLDS SUPPER; GIFT TO SCHOOL ANNOUNCED

The senior class supper was held on Sunday evening, May 23, in the New Building. Dr. Arthur W. Allen, of the Board of Trustees, and Mrs. Allen were the guests of honor. Dr. Allen spoke on medicine as a career.

The class prophecy was read by Richard Hamilton, and Richard Williamson gave the class history.

At the supper the class gift to the school was announced. The gift consists of four radios which will be installed in rooms at Mason Infirmary. Richard Urie served as chairman of the gift committee.

Vespers

April 25: Dr. Alfred E. Stearns, Headmaster Emeritus of Phillips Academy, Andover.

May 2: Mr. Cyril H. Jones, Headmaster of Milton Academy.

May 9: Dr. Herbert Gezork, Andover Newton Theological School.

May 16: Dr. Paul E. Johnson, Boston University Theological School.

May 23: Mrs. Benjamin J. Stone.

* * *

Dr. Stearns discussed the importance of seeking out the causes of evil conditions in the world in order that the causes may be removed before the results of them can be made satisfactory.

This will be particularly necessary after the war when we will have to deal tolerantly with both our allies and our former enemies. Jealousies and hatreds are usually due to a failure to understand the reason why other people do think as they do. We must discover the fundamental reasons why people do think if we are going to be tolerant of their actions.

* * *

Mr. Jones spoke about a group of prominent men from various nations and discussed those qualities which seem to be common to all of these. Regardless of race or creed, characteristics of success seem to be courage, perseverance, and stability. In addition, outstanding leaders have the good fortune to be associated with a worthy cause.

* * *

Dr. Gezork used as his text Matthew 25:29 and he showed that success in life depends upon using and increasing those abilities which we already have. Success breeds success, and to him "that hath shall be given, but from him that hath not shall be taken away even that which he hath."

* * *

Dr. Johnson made three suggestions as to the things which might be profitably accomplished during youth. Youth should learn something of what other generations have learned. To avoid cynicism, youth should acquire a liking for something, and most important, in youth a cause to work for should be discovered.

At the last vespers of the year, Mrs. Stone played von Dohnanyi's *Rhapsodien* and *The White Peacock* by Charles Griffes.

PRIZES FOR THE SCHOOL YEAR
ARE PRESENTED AT EXERCISES

At the graduation exercises this morning Headmaster Edward W. Eames presented the prizes for the school year.

The *Morse Flag* was awarded to Benjamin B. Brewster of Plymouth, at a special ceremony yesterday morning. This prize, the highest award of the school year, is donated annually by the Rev. Glenn Tilley Morse, a member of the school's board of trustees. The award consists of the American flag which has been flying over the campus during the past year and a gold medal. The award is made to that member of the senior class whose record in all respects has met with the highest approval of the faculty.

The Master's Prize, awarded each year to a senior who, by his unselfishness and sportsmanship, has best exemplified the spirit of the school, was awarded to Henry W. Kelly of Laconia, New Hampshire.

Thorndike Hilton Cup, for the highest scholastic standing in the senior class, to Lloyd L. Seligman of Dinuba, California.

Richard Hawes Francis Scholarship, given in memory of Richard Hawes Francis of the class of 1936, to Harold O. Leinbach of Reading, Pennsylvania.

Music Prize, given annually by Mr. Rupert Neily of Portland, Maine, to a boy because of his understanding and enjoyment of music, awarded to Lloyd L. Seligman.

Goodwin Athletic Prize, for the best all-round athletic record of the year, to D. Edward Breckenridge, Jr. This prize is given annually by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy.

The Harvard Alumni Prize, presented by the Harvard Club of Boston to an all-round boy in the junior class, to Francis W. Martin of Louisville, Kentucky. The prize was awarded by Mr. Philip M. Morgan of the Board of Trustees.

Rensselaer Polytechnic Institute Medal, presented by the Alumni Association of the Institute for proficiency in science and mathematics, to Alfred M. Weisberg of Providence, Rhode Island.

Washington and Franklin Medal, presented by the Massachusetts Society of the Sons of the American Revolution for excellence in the study of U. S. History, to D. Edward Breckenridge, Jr.

COMMENCEMENT ARRANGEMENTS
MADE BY TWELVE SENIORS

The Commencement Committee which assisted Mr. Eames in making Commencement plans had as its chairman Henry W. Kelly.

The other members of the Committee were Thomas Akin, Louis Allen, Edward Coombs, Fred Fowle, Benjamin Mann, Peter Morgan, James Munro, Robert Sim, Alexander Smith, Richard Urie, Richard Williamson.

BENJAMIN B. BREWSTER

Son of Mr. and Mrs. Ellis W. Brewster of Plymouth, president of the Student Council and winner of the Morse Flag, which is awarded to the senior "whose record while in the Academy is considered most creditable."

Moody Kent Prizes, for high standing in each department of study:

English: Lloyd L. Seligman of Dinuba, California.

Latin: Donald G. Palais of Waban.

French: Charles E. Goodhue, 3d of Ipswich.

German: Alan H. Welch of New York City.

Mathematics: Alfred M. Weisberg of Providence, Rhode Island.

Science: Benjamin B. Brewster of Plymouth.

History: Murray S. Monroe of Delray Beach, Florida.

PETER S. MORGAN

Son of Mr. and Mrs. Philip M. Morgan of Worcester, member of the Commencement Committee and winner of a special prize.

GOVERNOR DUMMER CHAPTER OF CUM LAUDE INITIATES TEN

Governor Dummer Academy's Chapter of the Cum Laude Society held its annual dinner and meeting in the New Building on Thursday evening, May 13, and ten members of the 1943 graduating class were made members. Cum Laude is the national society in schools corresponding to Phi Beta Kappa in the colleges. Membership is determined by high scholastic standing.

Mr. William Dudley Sprague delivered the address, discussing the problem of specialization in education. Mr. Sprague was then made an honorary member of the Society.

Mr. James Duncan Phillips delivered the charge and presented certificates of membership to the following: Benjamin B. Brewster of Plymouth; Morgan Cooper of Syracuse, New York; Charles E. Goodhue, 3d of Ipswich; Harold O. Leinbach of Reading, Pennsylvania; Murray S. Monroe of Delray Beach, Florida; Robert L. Morrell of Brunswick, Maine; Philip N. Sawyer of Cambridge; Lloyd L. Seligman of Dinuba, California; Alfred M. Weisberg of Providence, Rhode Island, and Robert M. Wood of Waban.

Members of the faculty in the Society who attended the ceremony included Messrs. Andrews, Dunning, Eames, Mercer, and Stone.

MILESTONE'S ANNUAL DANCE IS NOTABLE SPRING EVENT

The Spring Dance is over, but its repercussion is still being felt throughout the school. To the sixty-five boys and their guests who attended, it will undoubtedly be remembered as one of the outstanding events of the year at Governor Dummer Academy.

Primary among the number of important factors which contributed to the success of the affair is the tireless energy of Mrs. Eames and the dance committee in making preparations for the occasion.

Joe Cabanero's orchestra presented the dancers with a wide variety of selections which included several rhumbas, some polkas, and a Conga. The band leader entertained the guests during the intermission by playing several classical numbers on his bass fiddle.

The victory of the baseball team over Belmont Hill in the afternoon also helped to add to the unusual success of the weekend. Not satisfied at merely being spectators, the girls participated in a softball game with the boys before departing on Sunday.

FORMER MASTER PROMOTED

J. Chandler Hill, former member of the faculty, has recently been promoted to lieutenant (j.g.). He is on duty somewhere in the Atlantic.

DAVID H. MASON

Son of Mr. and Mrs. Norman P. Mason of Chelmsford, winner of a special prize.

EIGHT SPECIAL PRIZE AWARDS ANNOUNCED BY HEADMASTER

In awarding a group of eight special prizes, Mr. Eames said: "Each year we are able, because of the generosity of Mr. Milton Dodge, of Newburyport, to present a few special prizes to boys to whom we want to give special recognition because of their achievement, because of their personal qualities, or because of their unusual contribution to school life.

"This year we have an unusually fine class. For example, ten members of the class were elected to the Cum Laude Society, which corresponds in the preparatory schools to Phi Beta Kappa in the colleges. Usually about five members of the senior class are honored in this way. The fact is that the spirit of our seniors this year has been such that almost every boy in the class deserves a prize of some sort and I am more sorry than ever this year that we cannot double the number of special prizes.

"To *Philip Nicholas Sawyer* of Cambridge. Outstanding both in scholarship and athletics, Phil Sawyer is one of the most enthusiastic, unselfish, and hard-working members of the senior class. He is the sort of boy for whom special prizes were invented.

"To *Peter Shepard Morgan* of Worcester, truck driver, storekeeper, bell ringer, manager of managers, Peter has also found time this year to raise his grades. No boy has more common sense and school loyalty than Peter Morgan, and no boy more deserves a special prize.

"To *Charles Haig Zoolalian* of Newburyport, who, coming to us for only one year as a day student, has nevertheless won our respect by virtue of hard work and strength of character.

"To *Michael Francis Twomey* of Newbury—another day student who knows how to work. Whether Rocky is on the bottom of the football pile, in the middle of a conga line or at the front of a classroom, his good humor and ready wit never fail to enliven the day.

"*Murray Shipley Monroe* of Delray Beach, Florida, has already received a prize for *studying* history, but he deserves another for *making* it. Unable last year to win his letter in any sport, he has this year played on three school teams, and broken up more than one

baseball game with his bat. To Murray Monroe for "coming through in the pinches."

"To *John Whitney* of Boston we are awarding a special prize because he is one of the most gentlemanly, and, more especially, one of the hardest working boys in the school.

"To *David Holmes Mason* of Chelmsford, a senior who in one year has won the reputation of being a hard-working scholar, an all-round athlete, and a worthwhile boy.

"*Richard Gartley Williamson* of Augusta, Maine. A painstaking and penetrating student, of the faculty and of his fellow men, "Happy" has found time in addition to serve as captain of football and president of the Glee Club. He is the last in the long line of Williamson brothers, and he has added lustre to the family name. We respect Dick for his intelligence, we like him for his good nature and generosity, and we do not wish to part with him."

EDITORIAL

Governor Dummer is always glad when the time for the Commencement arrives, not simply because it ends the school year, but also because it is during these days that the boys and their friends, neighbors of the school, and the faculty are all able to get together to renew old friendships and pay a final tribute to the graduating class whose South Byfield days are ended.

People are able to acquaint themselves more thoroughly with the school and to see and hear of the changes that have taken place during the school year.

Moreover it gives the alumni a chance to return to old haunts and to see once again their friends and their teachers with whom they lived and studied.

In this year of war there will be fewer alumni with us because so many of our graduates are holding their reunions against the enemy in the far corners of the world. Those who do return, however, will be able to see again the place and some of the men who prepared them so ably for the difficult times they are now living through, either in the services, in business, or at college.

It will also be an occasion when the re-

turning alumni will be able to reaffirm their faith and their interest in the school, which has given them the backlog of experience and memories which is so often mentioned in the letters which keep coming in from the school's graduates all over the world.

In reply to the monthly letter which the Headmaster sends out to all our graduates in the armed services, an increasingly large number of letters is coming in, and it is interesting to see the things which are remembered about the school and cherished by an aviator in Burma, a tank man in Australia, or a line officer somewhere in the Pacific.

EXHIBITS IN NEW BUILDING

Mrs. Benjamin J. Stone, custodian of the Academy's collection of memorabilia, has arranged several exhibitions which have been displayed in the living room of the New Building during the past few weeks.

A collection of old catalogues and rosters of the Academy dating back to 1820 give an excellent idea of school life here a century ago.

Another display has been made up of a scientific stamp collection arranged by the Stamp Club and the science classes in 1938.

There have been two displays of photographs made by Mr. Harris' biology classes on nature walks.

LACROSSE TEAM CELEBRATES ANDOVER VICTORY IN THE HOCKEY POND

BASEBALL TEAM GAINS 8 TO 7 VICTORY OVER THAYER ACADEMY

The Governor Dummer baseball team gained its third victory of the season by a score of 8 to 7, downing Thayer Academy at South Byfield. Smith started on the mound for the Governors and was credited with the win; however, Ed Breckenridge took over the pitching chores in the third and finished the game.

The Governors opened the scoring in the first inning, combining a walk, an infield out, and a single over second base for one run. Two walks, a single, and a double were good for a trio of runs in the second, and a walk and a pair of doubles netted the Governors three more runs in the fourth.

Thayer tied the score in the first of the eighth, scoring three runs on three hits; however, the Governors came back in their half of the inning to win the game on Smith's hit with a man on third.

Jim Waugh had a perfect day at the plate with a hit and four walks.

TRACKMEN WIND UP SEASON WITH EXCITING TIE MEET AT MILTON

In the last track meet of the season, the Governors tied Milton Academy at Milton on May 15, 54 to 54.

The outstanding features of the day were the victories of Bill Ross, who took first place in the 100-yard dash, the 220, and the 440, and took third in the high jump. Captain Martin also had a very good day, taking two firsts and a third. One of the most unusual events of the meet was a three-way tie for first in the half mile, all three being from Governor Dummer.

The meet was very close, throughout, especially toward the end when the Governors were leading by three points. After the 120-yard low hurdles, the last event, the outcome was still doubtful because of a very close third place. Finally it was decided in favor of Milton, and the score was tied 54 to 54.

100-yard dash: Won by Ross (G); second, Toppan (M); third, Churchill (M). Time 11 sec.

220-yard dash: Won by Ross (G); second, Toppan (M); third, Marble (M). Time 23.9 sec.

440-yard dash: Won by Ross, (G); second, Marble (M); third, Brown (G). Time 55 sec.

KIMBALL UNION DEFEATED IN
WELL PLAYED SHUTOUT, 2-0

The Governor Dummer baseball team defeated a strong Kimball Union Academy nine by a 2 to 0 score at South Byfield on May 15. It was the best played game of the season to date. Jim Waugh and Ed Breckenridge combined their pitching efforts to take the shut-out victory, while the Governors at the plate were able to collect seven hits.

Captain Breckenridge, who took over the mound in the fourth, faced only sixteen opponents in his first five innings, and not until the ninth did a K. U. A. runner reach second base.

GOVERNORS GAIN 13 TO 4 WIN
OVER NOBLE & GREENOUGH

Governor Dummer defeated Noble and Greenough School in the first home game of the year on May 1. The Governors combined thirteen hits and three walks to produce thirteen runs. The opposition garnered eleven hits, but except in the third inning, their hits were so well scattered they were able to score only four runs.

The visitors opened the third inning by filling the bases on two hits and a hit batter. Goodale, the pitcher, came to the plate and hit a triple to clear the bases. The Governors came back in their half of the inning and tied the score on two hits and two errors.

Four more runs were added by the Governors in the fourth. Two walks and a hit filled the bases, and Mitch Fish then hit a single over Noble & Greenough's close infield, scoring all three runners. Another hit accounted for another run.

In the fifth, the Governors added three more runs on three hits, an error, and a hit batter, and in the sixth they coupled two hits and a walk for another tally. Two more runs in the seventh rounded out the scoring for the Governors.

Bidwell, opposing catcher, hit a home run in the ninth to complete the visitor's scoring.

The improved hitting of the Governors was the outstanding feature of the game.

STRONG LACROSSE TEAM GAINS 7-3 WIN OVER ANDOVER

On April 24, the Governor Dummer lacrosse team played host to a strong Andover team by defeating it 7 to 3 in an action-packed contest. Within the first four minutes the Red and White were able to roll up a three goal advantage. Co-Captain Cy Savage opened the surge when he broke through the visitors' defense. He was quickly followed in the scoring by Art Fiorini and Bill Wiswall.

Fiorini tallied again six minutes later after the Andover goalie had saved shots by Hump Simson and Joe Bisbee.

George Twombly opened the third period by adding another point. But the Governors' defense faltered momentarily, and Andover netted its last two goals, the home team suffering in the loss of players because of penalties.

HARVARD LACROSSE WIN OVER GOVERNORS' WEAKENED DEFENSE

On May 7, the Red and White Lacrosse team succumbed to the Harvard Varsity seconds 7 to 5 on Morse Field. Harvard took the lead early in the first period when they scored twice. Art Fiorini came back with one goal before the period ended to keep the Governors in the game.

Harvard went ahead in the second period 3 to 1 before Fiorini again netted a goal. However, before the half ended the men from Cambridge were leading 4 to 2. They scored twice more in the third frame with the Governors tallying but once. George Twombly, Hump Simson, and Cy Savage took many shots but all went wide of the cage; Fiorini's shots being the only ones to get by the Harvard goalie. In the final frame the Governors were able to control the play, but were able to score only twice when Fiorini broke through for his fourth goal and Simson added another on a screen shot. As the game ended Harvard clinched the outcome by scoring their seventh goal.

The play of Wiswall and Savage stood out for the Red and White, but in general the Governors' defensive play was often weak.

MARTIN, ROSS, AND VON SALTZA PLACE IN N.E.P.S. MEET

On Saturday, May 22, Governor Dummer's track team was represented by three entrants in the annual New England Preparatory School Meet held at Andover.

Exeter and Andover were the high-score winners of the meet at which six schools were represented, and Moses Brown with 13½ points edged the Governors' 13 points for third place.

Bill Ross took the 440-yd. dash in 52.3 seconds on a very wet track. Nicky Martin placed second in the 880 in 2.05, and von Saltza with a heave of 138 feet, 11 inches, took second in the javelin throw.

TEN-INNING GAME GOES TO MILTON ACADEMY, 5 TO 4

In the second game of the season, Governor Dummer was defeated 5 to 4 in ten innings by Milton Academy at Milton on April 24. The game was closely contested throughout, both teams playing good baseball.

Milton opened the scoring in the first inning, combining two walks and an error for the tally. The score remained 1 to 0 until the sixth inning when a hit and two walks by the Governors set the stage for a successful double squeeze. The Governors added two more in the eighth on three hits. However, in the last of the ninth, Milton came back with three runs, scored on three hits and two walks, to tie the score. Captain Ed Breckenridge, who had allowed only four scattered hits until the ninth, was replaced by Alex Smith on the mound after one was out in the ninth.

REM CLARK BATS OUT TWO-BASE HIT IN NOBLE & GREENOUGH GAME

BASEBALL TEAM OVERWHELMS BELMONT HILL SCHOOL, 13 TO 2

Belmont Hill fell victim to the Governor Dummer nine on May 8 at South Byfield by a score of 13 to 2. Smith racked up his second successive victory, although once again Captain Breckenridge had to give his assistance early in the game.

The Governors opened the scoring in their half of the first inning when they produced a run on a walk, a stolen base, an error, and a high fly to deep center. They added another run in the third; however, it was not until the fourth inning that the team was really able to solve the delivery of the opposing pitcher. Red Sewell opened the five-run fourth inning with a triple to right. Three successive singles and a fielder's choice accounted for a trio of runs. Smith, who had moved to right field, then knocked out a double which was followed by Jim Waugh's homer producing more runs. Runs were also scored in the fifth, seventh, and eighth. Belmont Hill's two runs came in the sixth on a walk and two successive doubles.

The Governors hitting was the high light of the afternoon. The Red and White banged out twelve hits which were good for a total

of 19 bases. Captain Ed Breckenridge and Sandy Smith led the attack, both getting a double and a single in four trips to the plate.

GOVERNORS LOSE TO EXETER 79 TO 29 IN TRACK

On May 5 the Governor Dummer track team held its first meet of the season with the Exeter Junior Varsity, losing by a 79 to 29 score.

Several individual wins by Governors were highlights of the meet, in particular the fine 440 win by Bill Ross, and Captain Martins' victory in the half-mile. Ross also took second place in the 100-yard dash, and Sam Waugh placed first in the 120-yard low hurdles. John Scott ran second in the 880, Dave Graham took second in the mile, and Brown was third in the low hurdles.

The Governors were weak in the field events, with only two places: Fowle's second in the javelin throw and Sikes' third in the broad jump.

GOVERNORS' STICKMEN EASILY
OVERCOME M. I. T. VARSITY

Paced by Art Fiorini and George Twombly the Red and White Lacrosse team defeated the M. I. T. Varsity on May 7, at Tech Field, 6 to 2. The Governors were never headed. Fiorini opened the game with two goals, and he was quickly followed by Twombly who added one more. Before the first period ended, however, Les Ackerman, former Governor Dummer player, tallied for Tech. Both teams scores in the second frame, Fiorini coming through again for the Governors.

In the third period Twombly scored his second goal to make it 5 to 2. Tech threatened occasionally in the final half, but saves by Harry Wolff in the goal repelled their thrusts. Late in the final frame Fiorini netted his fourth goal, the final goal of the game.

Goals. Fiorini 4, Twombly 2, Ackerman 1, Phillips 1.

LACROSSE TEAM LOSES GAME
TO PHILLIPS EXETER

On May 1, the Red and White lacrosse team traveled to Exeter, only to bow to perhaps the strongest team in New England, 15 to 1. The Governors were never in the game, and before two minutes had elapsed, Exeter was leading 3 to 0. They continued to roll up the score and tallied eight times before the half ended. Late in the second period Bill Wiswall was able to break through and score to give the Red and White its only point.

The third frame was much like the first two, Exeter scoring six more times. However, in the final stanza the Governors were able to check the home team's surge and allowed them only one tally. This goal came after Exeter had been in their offensive zone for almost ten minutes.

The wealth of reserve power and the speed that the winners had were probably two of the outstanding factors in their victory.
